

2020 - 2022 Ocean Stopover Cities by Itinerary

A stopover is defined as air flights with a stop between the gateway city and the destination. This can be added on the pre-trip, post-trip or both. Below are the approved cities and cost per Viking's policy. Please note that stopovers may limit the choices of carriers offered.

General Information: Stopover fees range from \$200 - \$300 USD/CAD depending on city.
