

## IMPORTANT INFORMATION ABOUT YOUR CRUISE

### ICELAND EMBARKATION (US, Canadian and UK guests)

Effective from September 01, 2021

The information included in this document is based on current Iceland regulations and the protocols outlined in the Viking Health & Safety Program. Requirements may change on an ongoing basis and may be updated before your departure. **Please recheck this information at least 7 days prior to your departure for any changes to requirements.**

#### TO TRAVEL TO ICELAND, YOU WILL NEED:

1. **Valid Passport** (must be valid for 6 months beyond your planned trip dates) and valid residency visa (for UK guests)
2. **Proof of full COVID vaccination certificate** with FDA/WHO Approved Vaccine (received at least 14 days prior to departure), including Moderna (Moderna), Pfizer-BioNTech (Comirnaty), Johnson & Johnson (Janssen) or AstraZeneca/Oxford (Covishield, Vaxzevria).
3. **Proof of negative COVID-19 PCR or Antigen test**
4. **Iceland [Pre-registration and Health Declaration](#) form** confirmation email with barcode (print or have available on phone)

**Important:** If you are traveling independently and have and made your own air arrangements, please ensure that you have checked local requirements for your arrival port and contacted your air carrier for their requirements.

#### WHAT YOU NEED TO DO BEFORE YOU GO:

To ensure you have completed the necessary steps to travel, we have prepared the following countdown timeline.

Days Prior to Departure	Items to Complete Prior to Travel

**Health/Travel Documents:** Please remember to bring the appropriate travel and health documents when you travel.

**Embarkation Procedure (Iceland):** Upon arrival, you may be required to take a COVID-19 test administered by the Icelandic government. This test will be in addition to the embarkation test required by Viking.

**Special Note:** The ship is designated as an Iceland quarantine area for Viking guests. If you took a COVID-19 PCR test at the airport, you will be transferred to your ship as you await confirmation of a negative COVID-19 PCR test result. You will then proceed to your stateroom where you will be required to provide a saliva sample for a second onboard COVID-19 PCR test. Please refrain from consuming any food or beverage item or smoking for at least one hour before submitting your saliva sample. While waiting for your test results, you will be able to use the public spaces on board observing current mask and social distancing requirements.

**You will also need to undergo the following COVID-19 screening prior to your cruise:**

- Temperature check (a temperature reading of less than 100.4°F/38°C).
- Questions in relation to your general health, COVID-19 symptoms, or possible exposure.
- Accept and agree to using contact-tracing technology during your cruise.
- Complete any required check-in procedures.

**During Your Cruise:** You will be tested periodically, on board the ship, as required by Viking and in coordination with the government of Iceland.

**Disembarkation/Return Flight:** Prior to leaving your Viking ship, you will be required to take a final COVID-19 test to satisfy the requirement for pre-flight testing before arrival in your country.

*All guests should ensure they understand their countries re-entry requirements prior to leaving for your trip, see below for reference.*
